SUBJECT: Supplement to Report on Price Redetermination Audit
Contract FL-3011, Item 16 under Appendix I
Westinghouse Electric Corporation
Air Arm Division
Baltimore, Maryland

REF: Document #19086, 5 September 1957, and Basic Report
31 January 1958 (#79)

TO: Contracting Officer

1. Purpose of Supplement to Report: In regard to pending price redetermination negotiations of Items 7 and 10 through 15 of subject contract, the contractor desired to present the actual manufacturing costs incurred. The auditor obtained similar data for Item 16 which includes revisions 2, 3, 4, 5, and 6 to Spares Bill of Material. This data is the basis for this supplement to report.

2. Results of Audit as Revised: The results of audit as revised are set forth in attached Exhibit A; of the total costs of \$381,831 in contractor's proposal and the spares revisions, the amount recommended for acceptance is \$348,282.
